Our first Goal achieved

God has continued to provide.

We are excited to say that we have achieved our 1st goal of **20%** of our monthly budget. We had set a date of May 31 to reach that goal. With God's help, we are there with weeks to spare. So far, we have had 6 churches and 23 individuals join our team as regular committed financial partners. We have also been incredibly blessed to have many more partners give towards our start-up costs.

Our next goal is to reach **30%** by the end of June. If you have not joined our team, go to:

www.chogglobal.org/tjadams.

Thanks to all who have come alongside and partnered with what God is doing in Asia and the Pacific.

GLOBAL STRATEGY
CHURCH OF GOD MINISTRIES

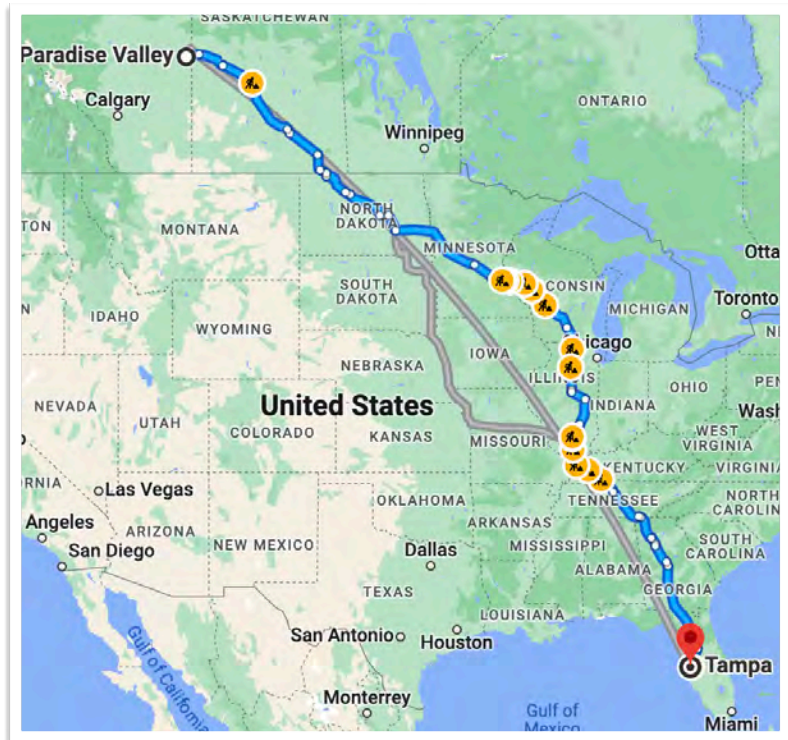

On the Road Again

Our family has been doing a lot of travel around western Canada in the last few weeks, but all that travel is nothing compared to what is coming in a few weeks. Beginning June 16, our family will be driving from home for 40 hours to Tampa, Florida, for the Church of God Convention. We are looking forward to being a part of this time and connecting with the Church of God from around the world. We are planning on taking our time on the way home and doing some visiting along the way. If you live along the line shown on the map, get in touch. We would love to connect with you.

New and Old Partners

We had a fantastic weekend in late April catching up with friends, exploring the mountains near Turner Valley where we used to live, and, of course, sharing our plans and ministry with the people of Millarville Community Church. This church has been a longtime partner with our family. We shared as a part of missions Sunday and Tim also preached the message, speaking on the armour of God from Ephesians 6. We were overwhelmed with the encouragement, welcome, friendship and those who extended their hand in partnership, both in prayer and giving towards what God is doing to equip the church in Asia and the Pacific!

We were also blessed to be invited to share in the Wetaskiwin Church of God, a new partner church, on Mother's Day. We shared about our ministry and then Jenn shared a message that God had placed on her heart about legacy.
